Sir:

Applicants respectfully submit herewith a corrected English translation of the International Application for the above-referenced application (28 pages of specification without claims and abstract). This corrected English is to be employed instead of the English translation submitted on June 28, 2005. The translation submitted on June 28, 2005 contained an error on page 23 in that a portion of the last sentence in the second complete paragraph was missing. In addition, on page 22, line 8, a typographical error appeared in that "treat" should have been --tread--. The enclosed specification does not contain these errors.

A check for the fee of \$130.00 is attached. The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880.
